

A decorative graphic consisting of three blue circles of varying sizes, each with a lighter blue ring around it. A thin blue line runs diagonally from the top left towards the bottom right, passing through the circles. The circles are positioned in the top right, middle right, and bottom right areas of the page.

Garderie Nid de Namur

Programme préscolaire (3 1/2-4 ans) / Preschool
program (3 1/2-4 years)

Ci-joint vous trouveriez un résumé de programme
préscolaire pour l'année 2015-2016

01/09/2015

Garderie le Nid de Namur

The values that guide us toward achieving our mission:

Respect, commitment, honesty, creativity, love, communication.

BASIC PRINCIPLES

- 1- EVERY CHILD IS UNIQUE AND THE CHILD IS THE FIRST TEACHER OF THEIR DEVELOPMENT
- 2- THE CHILD'S DEVELOPMENT IS A GLOBAL AND INTEGRATED PROCESS
- 3- CHILD LEARN FROM PLAY
- 4- COLLABORATION AND COMMUNICATION BETWEEN EDUCATOR, THE DAYCARE, AND PARENTS ARE ESSENTIAL TO THE HARMONIOUS DEVELOPMENT OF THE CHILD
- 5- LEARNING IS ACTIVE

Preschool development-Bilingual program

- complete potty training
- Start more pre-academics; colors, numbers, letters, (basic) letter of names
- focus on interests
- play with others, share, turn taking, regulate emotions, and express feelings through words
- start to solve conflicts
- eat and sleep independently (with little help)
- follow rules and instructions
- expand vocabulary, books, songs, music
- outdoor play, movement, dance
- community based interests and involvement, goes to park, neighborhood walks, fieldtrips
- communication with parents
- promote independence: toileting, hand washing
- more structured: large circle time, activities with several steps (instructions)
